

SUGGESTED ALTERNATIVES

Alternatives to BetterCloud

BetterCloud scored high risk. Here's how this alternative compare, scored against the exact same use case and buyer context.

DIMENSION	REJECTED: BETTERCLOUD	ZYLO
Overall verdict	BetterCloud High risk	zylo Elevated risk 2 better, 1 worse vs BetterCloud
Data Handling Posture	Pass limited evidence	Risk ▼ limited evidence
Vendor Stability	Fail limited evidence	Pass ▲ strong evidence
Incident History	Pass limited evidence	Pass limited evidence
Community Signal	Risk limited evidence	Pass ▲ strong evidence
Compliance Posture	Risk limited evidence	Risk limited evidence
Integration Risk	Risk limited evidence	Risk strong evidence

WHY THESE WERE SUGGESTED

zylo

Zylo is a reasonable substitute because it scores better on Vendor Stability (Pass vs. Fail for BetterCloud), directly addressing your need for a long-term partner unlikely to be acquired again, and also has a better Community Signal (Pass vs. Risk). However, note that Zylo is worse on Data Handling Posture (Risk vs. Pass), so you would need to accept that tradeoff in your evaluation.
